### DIRECTIONS FOR ASSESSING LETTER RECOGNITION:

#### **Use the Lowercase Recognition Chart FIRST.**

1. Point to each letter on the Alphabet Chart beginning with the letter "o", and say: "What letter is this?" Continue with each letter on the Lowercase chart. Using the Uppercase chart, point to any letters the child did not recognize on the Lowercase chart and ask again.
2. Circle the letters *on this Letter Recognition Reporting Chart* that the child recognizes from the Alphabet Recognition Charts. Each letter counts as one whether the child recognizes it in the Uppercase, Lowercase or both.
3. Enter the total number of letters recognized
